Proposition

Lewis and Clark Village currently has a tax of \$.30 for our street lights, but this amount is no longer sufficient to fund this. In order to fund this completely we would need a tax of \$.50. However, we are only asking to increase this tax to \$.40. If this proposal does not pass the funding for the street lights will cease. Therefore, shall Lewis and Clark Village increase its tax to \$.40 for four (4) more years for the purpose of its village street lights? A yes vote will increase your taxes.
